3. INTRASTATE OPERATOR ASSISTED¹

N

The following charges apply to outbound Operator Assisted calls which originate and terminate via Switched (excluding Card) and Dedicated access only within the same state. For calls terminating via Local Network Connection facilities, a termination credit of \$0.01 per minute will apply. For calls originating over Local Network Connection facilities, an origination credit of \$0.045 per minute will apply.

3.1 Per Minute Charges: For intrastate calls within the classifications detailed below, (excluding collect calls and calls which are billed by a third party), the following call classifications and usage rates will apply:

3.1.1 Call Classifications:

- Calls made from Company presubscribed payphones or institutional phones and which are completed with the assistance of a Company operator;
- Calls made from private residential or business phones presubscribed to the Company and which are completed with the assistance of a Company operator; and
- Calls made from private residential or business phones by Casual Callers, which are completed with the assistance of a Company operator.
